

- Grades 3-6

- Expands students' reading horizons through fiction, nonfiction, and reading strategies.

Content

- More than 100 selections from well-known children's authors, including Arnold Lobel, Eloise Greenfield, and Beverly Cleary.
- Emphasis on vocabulary, comprehension, reading strategies, and reading for information.

For the Student

- Interactive multimedia support the reader with audio, glossaries, and opportunities to practice strategies, reinforce skills, and build comprehension.
- Activities such as Build Background develop skills before, during, and after reading.

For the Teacher

- The courseware can be tailored to individual students, small groups, or the whole class in a lab or classroom environment.
- Results Manager records student performance and progress, providing teachers with a powerful assessment tool.

Reading Adventures engages students with award-winning multicultural literature and integrated multimedia reading and writing experiences.
