

Fun with Reading Readiness

Dear Parent,

You can help your child develop skills that are needed for reading. Read each activity to your child. As you work together, make each activity gamelike and fun.

1. Practice writing these letters: **Y y Z z**
Say each letter as you write it.

2. Let's play an opposites game! I'll say a word and you name a word that means the opposite:
big-small, tall-short, fat-thin, cold-hot, push-pull, up-down.
3. Pretend that you went to the circus last night. Tell me what you saw at the circus. Then color the picture of the clown.
